8 SEPTEMBER 1999

PRESIDENT WILLIAM J. CLINTON  
WHITE HOUSE,  
1600 PENNSYLVANIA AVENUE, N.W.  
WASHINGTON, D.C.

DEAR SIR:

I AM WRITING TO YOU BECAUSE I FEEL THE SURVIVAL OF OUR NATION IS IN JEOPARDY, BECAUSE OF THE ADULTERATION OF OUR FOOD SUPPLY BY GENETICALLY ALTERED FOOD.

THE JUSTIFICATION STATED IS THAT INSECTS WILL NOT EAT THESE FOODS. THIS IS BECAUSE THEY ARE CONTROLLED BY INSTINCT WHICH TELLS THEM THAT THESE ALTERED PRODUCTS ARE NOT APPROPRIATE FOR CONSUMPTION. YET MAN WITH HIS REASONING IS NOT HEEDING NATURE'S WARNING SIGN.

I WROTE TO VARIOUS AGENCIES, INCLUDING THE FOOD AND DRUG ADMINISTRATION, TELLING THEM OF THE PLANS TO GENETICALLY ALTER FOOD ; TO NO AVAIL!

THE CIVIL RIGHTS OF OUR CITIZENS ARE BEING VIOLATED BY FORCING ADULTERATED PRODUCTS UPON THEM WITHOUT THEIR KNOWLEDGE OR APPROVAL.

FURTHERMORE, I PREDICT THAT THESE PRODUCTS WILL CAUSE DEFORMITIES AND ALL MANNER OF AFFLICTIONS AND EVENTUALLY FAMINE THE OTHER NATIONS OF THE WORLD WILL NOT BE ABLE TO FEED US. IN THE LATEST MEDIA REPORTS OTHER NATIONS HAVE ALREADY STATED THEIR DISDAIN FOR GENETICALLY ALTERED FOOD AND ARE FLATLY REFUSING TO PURCHASE AMERICAN FOOD PRODUCTS.

LIFE ITSELF DEPENDS UPON OUR FOOD SOURCES. THE BEES MAY COLLECT POLLEN FROM THESE ALTERED FOODS, THUS CONTAMINATING ALL OUR FOOD, VEGETABLES AND MEAT, SINCE ANIMALS WOULD BE FED THESE PRODUCTS. PLANTS SUPPLY THE OXYGEN WE BREATHE, WHO KNOWS WHAT THESE GENETICALLY ALTERED PLANTS WILL PRODUCE? THEY WILL DECAY AND CONTAMINATE THE SOIL WE GROW OTHER PRODUCE IN. ACCORDING TO TV-REPORTS; ONE QUARTER OF OUR FARMLAND HAVE ALREADY BEEN PLANTED WITH GENETICALLY ALTERED FOOD .

IT MAY ALREADY BE TOO LATE. ONCE THESE PLANTS AND THE  
RESULTING POLLEN IS IN THE ENVIRONMENT THERE IS NO WAY OF  
RETRACTING IT. BUT STOPPING IT IMMEDIATELY WOULD BE  
APPROPRIATE AND MAY HELP DEFER A NATIONAL DISASTER.

THANK YOU FOR YOUR ATTENTION; I KNOW YOU CAN'T WATCH EVERYTHING  
THAT'S GOING ON IN THE NATION THAT IS WHY AS A DESPERATLY  
CONCERNED CITIZEN I AM INFORMING YOU OF THIS MAJOR CHANGE IN  
OUR COUNTRY'S AGRICULTURE AND REACHING TO YOU FOR HELP.

VERY RESPECTFULLY,

*Alberta J. Cassell-Butler*
